

Media Policy of Virginia Model United Nations

I, _____ certify that I am the Sponsor for _____ and am leading a team of students participating in Virginia Model United Nations (VAMUN) this weekend.

I understand that VAMUM reserves the right to take and use photos and videos of delegates, sponsors, chaperones, and others affiliated with the conference. These materials may be posted on the VAMUN website and any social media pages affiliated with VAMUN or its parent organization, the International Relations Organization at the University of Virginia.

I understand that upon participating in VAMUN, my students and I waive our rights to our image and likeness, which may be recorded in any form for the duration of the conference. Additionally, I waive any right to royalties or other compensation arising or related to the use of my image, likeness and sound of my voice as recorded via photography or on audio or video tape during the Conference.

Should one of my delegates wish to not have their photos or likeness used, I will list their names below. I also will inform those students listed below that they share the responsibility of working to avoid being in photographs or on any audio or video recording during the conference weekend.

In signing this contract, I certify that I have made my delegates aware of this policy or will do so prior to the start of the first committee session.
